It shall be the owner/contractor's responsibility to notify all utilities and obtain disconnection notices prior to the issuance of this permit. A copy of the utility disconnection confirmation notices must *be received* by the Town of Red Springs Inspection Department prior to the issuance of the permit.

All potentially affected adjoining property owners must be notified prior to the beginning of demolition.

During the proposed demolition, it shall be the contractor/owner's responsibility to maintain the site in a safe and sanitary condition. All demolition debris must be removed from the site, disposed of in an approved demolition landfill, and be in compliance with all Federal, State and County regulations. Upon completion of demolition, it shall be the contractor/owner's responsibility to fill and grade the lot to conform to established street grades, and adjoining properties. Provision shall be made to avoid the accumulation of water, rubbish, and all other unsafe and hazardous conditions.

I, owner/contractor, hereby certify that the information contained in this application is correct and that I will abide by all applicable laws of the City and County.
